

Our Holy Redeemer Concessional Fee Policy for MACS primary schools

Purpose

This policy outlines the process by which Melbourne Archdiocese Catholic Schools Ltd (MACS) primary schools will provide fee concessions to families of students experiencing financial hardship, who would otherwise be impeded from receiving a Catholic education. It acknowledges the need for families to meet their school fee obligations according to their capacity to pay, while providing a consistent approach to school fee concessions across all MACS primary schools.

Scope

This policy applies to:

- MACS primary schools
- MACS primary school students whose families are:
 - of Aboriginal or Torres Strait Islander heritage
 - holders of Department of Human Services Health Care Cards
 - holders of Department of Veterans' Affairs Gold Cards
 - holders of Department of Home Affairs Proof of Identity card (ImmiCard)
 - refugees, where the child has attended a school within Australia for less than five years
 - required to relocate schools to St Michael's Catholic Primary School, North Melbourne, as their (Australian resident) child requires long-term medical treatment at The Royal Children's Hospital, Melbourne
 - experiencing genuine financial hardship (e.g., loss of family home, and/or loss of income through volunteering to fight bushfires, COVID-19 or illness and/or loss of livelihood/income caused by bushfires, COVID-19 or illness)
- concessional fee decisions made on behalf of MACS primary schools by MACS principals.

This policy does not apply in MACS secondary schools or colleges.

Principles

This policy is sourced from the principles of Catholic social teaching and, in particular, 'the dignity of the human person', 'preferential option for the poor' and 'the common good'.

- **Dignity of the human person:** processes for the collection of school fees, granting of fee concessions and recovery of unpaid school fees need to be transparent, fair and just.
- **Preferential option for the poor:** Catholic schools should be accessible to all Catholic families irrespective of their capacity to pay. The Catholic Church's preferential option for the poor obligates Catholic schools to ensure that no baptised Catholic student is denied a Catholic education because of a family's inability to pay school fees: '... the preferential love for the poor represents a fundamental choice for the Church, and she proposes it to all people of good will'.¹
- **The common good:** each MACS primary school is responsible for setting its own fees, taking into consideration both the income needed for the school to operate and the capacity of their families to pay.
